

## Repeat / Reveal (the presence of absence)

mae ysbryd yma  
they're tapping at the window  
scratching at the glass  
tynnu y llenni / fy nghariad poenus

hush now / close the blinds / my frozen love  
turn out the lights / ofalys / ssshhhh rwan

cuddio yn y distrawroedd / hide inside the silence / ac esgus i gysgu

aros / maintain / slowly ease the suffering

let them drown in their own murmers

hunger  
finally  
fade into forgetting

we can tell ourselves we're safe here (repeat)

mae braw yma  
yr aer oer rwan  
anadlu caled yn erbyn y nos

hold me against the fear / my love  
we're failing against the night / my love  
still pretend that we're asleep / my love  
darling / pray the dam don't break

ar ol amser  
yn y bore  
ar y traeth  
lle moethus

in the morning  
on the beach

we'll count the corpses on our hands

retreat into the vacant space between us  
unseen luxury / glass in hand / my love / we feel like we belong here

where the questions need no asking  
trust another ship will come

cysga fynghariad / mae angen ni ofyn y cwestiynau

wrapped in linen perfection

snow white linen perfection  
paper plastered sails  
sleep stains replaced each day

softly spoken waiting for the wails to break the glass / break our hearts  
and I'll ask you is it true?

only a broken heart / y calon torri / could hold the pieces of this planet as one
